Location	LaQshya Program Management Unit, Ministry of Health and Family Welfare, New Delhi
Project Duration	May 2020
About IPE Global	<p><b>IPE Global Limited</b> is an international development consulting group providing expert technical assistance and solutions for equitable development and sustainable growth in developing countries. The group's areas of expertise includes Health, Nutrition and WASH, Urban and Infrastructure Development, Education and Skills Development, Private Sector Development, Environment and Climate Change, Social and Economic Empowerment, Governance, Grant and Fund Management, Monitoring, Evaluation and Learning, and Information Technology &amp; e-Governance.</p> <ul style="list-style-type: none"> <li>• We are ISO 9001:2015 certified, CMMI® Level 3 and ISO 27001:2013 certified company.</li> <li>• Over last 18 years, we have successfully implemented over 700 projects in over 100 countries.</li> <li>• We have over 800 full time professional staff and over 1000 empanelled consultants working on various projects across the globe.</li> <li>• We partner with multilateral &amp; bilateral agencies including DFID, USAID, World Bank, DANIDA, KfW, EU, ADB, etc.; governments; private sector; and philanthropic organisation like BMGF, MasterCard Foundation, etc.</li> <li>• We have subsidiaries and offices in UK (IPE Triple Line), Kenya, Ethiopia, India, Bangladesh, and Philippines</li> </ul> <p>For more details, please visit <a href="http://www.ipeglobal.com">www.ipeglobal.com</a></p>
USAID VRIDDHI (Scaling up RMNCH+A Interventions Project)	<p>PROJECT: Health Systems Strengthening, Quality Improvement, and RMNCH+A Scale-Up (PROGRAM AREA #5: Scaling Up Interventions in Reproductive, Maternal, Neonatal, Child, and Adolescent Health).</p> <p>While there have been several efforts to expand activities aimed at improving coverage of RMNCH+A services nationally and in the high burden states, the scale has not been enough to demonstrate impact in several priority areas. Accordingly, a credible plan to implement and scale up proven high-impact RMNCH+A interventions that have been tested and demonstrated globally/nationally to demonstrate improved health partnerships, to both create and strengthening platforms to work with the Government and the private sector - the two main providers of health services - to scale up proven RMNCH interventions is be required.</p> <p>IPE Global is leading this high impact strategy for scaling up the RMNCH+A interventions in 8 states of India, namely, Assam, Chhattisgarh, Haryana, Himachal Pradesh, Punjab, Jharkhand, Odisha and Uttarakhand. Besides this, a national team is be engaged in providing technical assistance to the Government of India on health system strengthening and innovations for delivering results in RMNCH+A.</p>

<p><b>Job Description</b></p>	<p>IPE Global, through its USAID – VRIDDHI (Scaling up RMNCH+A Interventions Project), provides an excellent opportunity for professional growth for medical professionals with an aptitude for applied public health.
